

SENIOR YEAR CAREER DEVELOPMENT

In this hour, you will learn how to prepare for the next step in your career development. You will learn how to research and apply for internships, how to prepare for the next step in your career development, and how to prepare for the next step in your career development.

Prepare to launch:

- Meet with your advisor to discuss your career development plan and to help you identify your strengths and weaknesses.
 - Begin your research on potential careers and majors. Use resources like the Career Center and the Career Center website to help you.
 - Determine your academic goals and how to achieve them. Consider taking courses that will help you gain experience in your field of interest.
 - Participate in hands-on learning experiences like internships, research, or service projects to gain practical experience in your field of interest.
 - Set up a LinkedIn profile and connect with professionals in your field of interest.
 - Contact the Career Center for more information and resources.
 - Contact the Career Center for more information and resources.
- Take a career assessment to help you identify your strengths and weaknesses.
 - Explore potential careers and majors. Use resources like the Career Center and the Career Center website to help you.
 - Explore potential careers and majors (GRE, GMAT, MCAT, LSAT, etc.) and how to prepare for them.
- Q**

Explore the [Career Resource](#) section of the Career Center website for more information and resources.
